

VegWHS - Workplace Health & Safety on Vegetable farms

VegPRO is taking the headache out of Workplace Health & Safety on Vegetable Farms

Vegetable businesses now have a resource package that helps to efficiently address all their Workplace Health & Safety Needs

Everything you need to know and do, and all the essential forms can be found on the **WHS CARROT USB**:

There are 2 easy steps:

1. You have picked your carrot up already and its lingering on your desk; find it now or get a **WHS CARROT USB** from your dedicated VegPRO Coordinator; Sophie Lapsley, sophielapsley@rmcg.com.au, 0426 200 996

2. Promptly watch a couple of vegetable growers getting WHS up to date on their farm using the **WHS CARROT USB**. See how easy it is - follow their example and have a go!

Don't wait until something goes wrong, update your farm WHS now

Access the training videos now:
